Leaders In Our Neighborhood Charter School’s mission is to develop the character of each student. We unite students, families, and staff in helping each individual achieve their best academically, in sports, the arts, and service to the community. We believe that passion for learning, self-discovery, leadership skills, and social conscience are the foundation for success in college and fulfillment in life.

There will be a lottery **on April 4, 2023, at 4:30 PM held virtually and open to the public** to create the enrollment and wait list for Kindergarten and the wait lists for 1st through 12th grades.
