Entry 7 – Employee Fingerprint Requirements Attestation

Completed - Jun 1 2026

Instructions

Required of ALL Charter Schools

Review and complete the Employee Fingerprint Requirements Attestation.

Entry 7 – Employee Fingerprint Requirements Attestation

A. TEACH System – Employee Clearance

Required of ALL Charter Schools

Charter schools MUST ensure that all prospective employees[1] receive clearance through the NYSED Office of School Personnel Review and Accountability (OSPRA) prior to making an offer of employment. **This includes paraprofessionals and other school personnel who are provided or assigned by the district of location, or related/contracted service providers**. After an employee has been cleared, schools are required to maintain proof of such clearance in the file of each employee.

Please note that all schools should maintain an electronic or hard copy of the clearance certification pulled from TEACH and dated **PRIOR** to the employee's start date. Clearance certifications pulled from TEACH at a later date will show that the staff member was cleared as of that date and may result in a finding of clearance violations against the school.

[1] Employees who must be cleared include, but are not limited to, teachers, administrative staff, janitors, security personnel and cafeteria workers, and other staff who are present when children are in the school building. **This includes paraprofessionals and other school personnel that are provided or assigned by the district of location, as well as related/contracted service providers**. See NYSED memorandum dated October 1, 2019 at NYSED CSO Employee Clearance and Fingerprint Memo or visit the NYSED website at Who Must Be Fingerprinted Charts for more information regarding who must be fingerprinted. Also see, 8 NYCRR §87.2.

B. Emergency Conditional Clearances

Charter schools are **strongly discouraged** from using the emergency conditional clearance provisions for prospective employees. This is because the school must request clearance through NYSED TEACH, and the school's emergency conditional clearance of the employee terminates **automatically** once the school receives notification from NYSED regarding the clearance request. Status notification is provided for all prospective employees through the NYSED TEACH portal within 48 hours after the clearance request is submitted. Therefore, at most, a school's emergency conditional clearance will be valid for only 48 hours after approval by the board.

Schools are not permitted to renew or in any way re-establish a prospective employee's emergency conditional clearance after status notification is sent by NYSED through the TEACH portal.

Schools are asked to attest that they have reviewed and understand these requirements. More information can be found in the memo at NYSED CSO Employee Clearance and Fingerprint Memo.

I hereby attest that the school has reviewed, understands, and will comply with these requirements.

Entry 9 – School Calendars

Completed - Jul 31 2026

Instructions

Required of ALL Charter Schools

Charter schools must upload final **2025-2026 and 2026-2027** calendars into the portal **no later than 11:59 PM on August 3, 2026**. The calendars must be separate files.

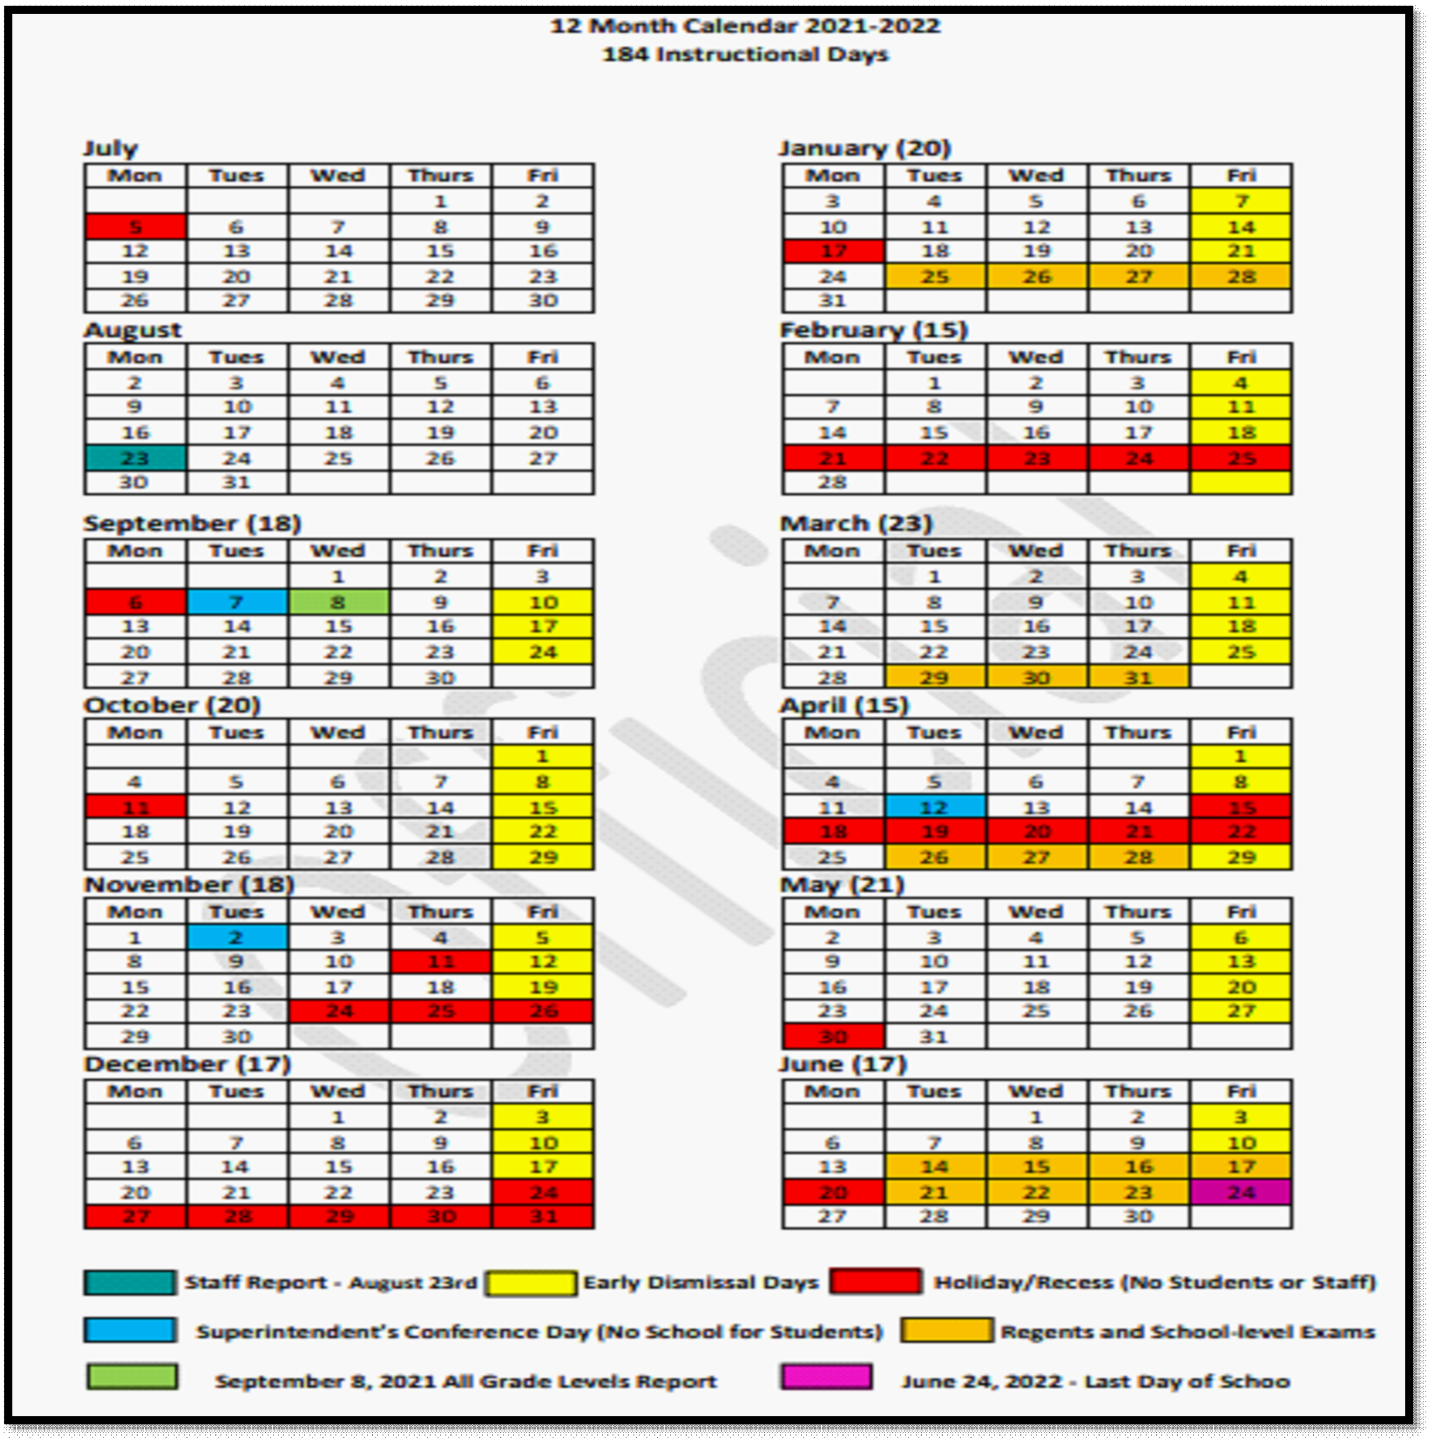

School calendars must meet the minimum instructional requirements as required of other public schools "… *unless the school's charter requires more instructional time than is required under the regulations."*

Board of Regents-authorized charter schools are also required to submit **school calendars that clearly indicate the start and end date of the instructional year AND the number of instructional hours and/or instructional days for each month**. **Schools must use a calendar format and ensure there is a monthly tally of instructional days**.

Charter schools serving elementary and secondary levels may submit one combined calendar showing instructional hours and days for all building levels OR separate calendars uploaded as one PDF. *Note that school calendars will also provide evidence of alignment for schools with extended days/years referenced in their mission statements or key design elements.*

See below for an example of a calendar showing the requested information.
